Enclosed are copies of your February 10, 2003 letter and your January 14, 2003 letter. As you can see the letter of January 14, 2003 was addressed to Tim Luke in the Boise office and not to me.

Since Tim and the Boise Office are the active participants in water delivery in WD34, they will have to be the parties to address your questions.

Also, no copies of your letter were ever copied by me and distributed. Your letters are both filed in our WD 34 folder for water year 2002.

Sincerely,

A handwritten signature in cursive script, appearing to read 'H. W. Jones'.
